Arts Administration Internship Program

The Bee Vradenburg Foundation is committed to furthering career opportunities for emerging arts leaders. To support this commitment, the foundation provides support each summer for a paid internship in arts administration at an arts nonprofit in El Paso County, Colorado.

Bee Vradenburg Foundation expects that the intern experience will be valuable to the supervising organization and to the intern, as they explore arts-focused careers. The foundation commits to providing the majority of payroll for the internship, as detailed below.
